To
The Dewan of Mysore.

Sir,

On the 7th. March last we had the honor to submit for consideration a letter asking that the provision of the Mysore Mines Regulation of 1906 may be applied to the Railway Line and Premises between Bowringpet and Marikuppam.

As the matter is one to which the Directors of the Mining Companies interested and ourselves as responsible Managers attach considerable importance, we should be obliged if the Durbar could make it convenient to acquaint us with the views held by the Government of Mysore on the above question.

We are, Sir,

Your obedient servants,

John Taylor & Sons
